Produced in 1995-1997

Take a mind-blowing journey beyond your wildest imagination into the universe of the Bizarre! From spontaneous human combustion to anti-aging machines, this extreme reality program traverses every corner of the world in search of outrageous events, unexplained phenomena, macabre people and weird places.

**Rated by 'The Hollywood Reporter' as one of the top-ten primetime documentaries on all U.S. cable.**

#### **EPISODE SEGMENTS INCLUDE:**

##### **Modern Day Mummification**

At Lynn University in Florida the mortuary science department teaches more than funerary practice. Here they have reincarnated the ancient art of mummification.

##### **Ghostly Visitations**

For those who are having problems with the spirit world, a ghost buster is normally called in to investigate the perceived paranormal happening. Armed with high tech equipment, the investigation provides some interesting findings that could indicate the presence of a devilish entity.

##### **Self-Made Freaks**

Phinias T. Barnum popularized freaks in circus sideshow venues, but over time the traveling circus as entertainment faded. Today there are self made freaks who have re-invented the sideshow concept.

##### **Indecomposable People**

For many different reasons not well understood, it is possible for a human corpse to not putrefy and decay as is normally expected. We will view various examples of these anomalous occurrences and speculate as to the reasons why decomposition has been deterred.

##### **Modern Day Primitives**

Fakir Musafar is the paternal master of the modern primitive movement. Fakir is the first non Native-American person who has performed the sacred Lakota O-Ke-Pa rites of passage ceremony.

#### **ABOUT THE PRODUCER**
