CRIME & INVESTIGATION

BUSTED EVERYWHERE (3 x 60) 1999

Shocking surveillance footage of employees caught in the act of rude, lewd, and crude behavior in the workplace. From revolting food contamination to housekeepers wearing borrowed lingerie, BUSTED EVERYWHERE proves that fact is definitely stranger than fiction!

CRASH DETECTIVES (1 x 60) 1998

What really happened in the car crash that killed Princess Diana? What's the real story behind the space shuttle Challenger disaster? Follow the international team of men and women who investigate these and other horrific accidents to determine the reasons behind the outcome.

FUTURE COPS (3 x 60) 1999

Each special in this mini-series explores the role of cutting edge technology in fighting crime from a different angle. Episodes include a look into electronic surveillance in our daily lives; what happens when police cross the line of safety and harm to citizens and deadly high-speed chases.

THE SYSTEM (6 x 60) 2002 - 2003

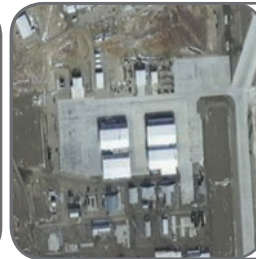

Learn all about the application of video technology in crimefighting through clips of actual crimes, expert interviews, and behind-the-scenes coverage of how law enforcement officers use video cameras to bring criminals to justice.

VICAP: On the Trail of Violence (1 x 60) 2002

While crimes in America are in overall decline, the FBI still estimates nearly 20,000 murders each year. VICAP, or the Violent Criminal Apprehension Program, is an FBI program developed to track violent crimes and identify similarities between cases to aid in finding the killers.

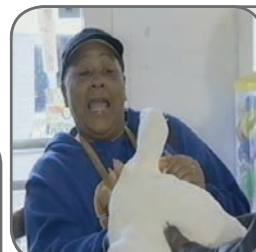

CURRENT AFFAIRS & SOCIAL ISSUES

RETURN TO AREA 51 (1 x 60) 2001

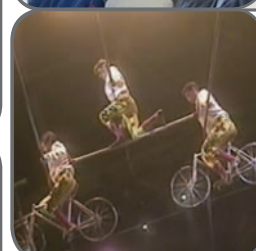

The US government site Area 51 is one of the most secretive military bases in the world. Explore newly released information indicating the Air Force not only tested planes there, but that many failed experimental planes are still at Area 51. Hear those who worked there and researchers recount their experiences.

ENTERTAINMENT

ANIMAL PLANET'S PEOPLE TRAPS (1 x 60) 2002

This special showcases exciting footage of animals and the crazy things they do when they are thrown together with their best friend, man.

HIGH WIRE (1 x 60) 1998

This is an exclusive look at the world of the Ringling Brothers and Barnum & Bailey Circus. Meet the people who create a magical performance in every show, and learn the secrets behind their awe-inspiring acts.

IRON CHEF USA (2 x 60) 2001

Staged before a live studio audience, Iron Chef USA brings a challenger (chef) into the Chairman's "Kitchen Arena", a giant cooking stadium, where he competes against four Iron Chefs who specialize in American, Italian, French and Asian cooking.

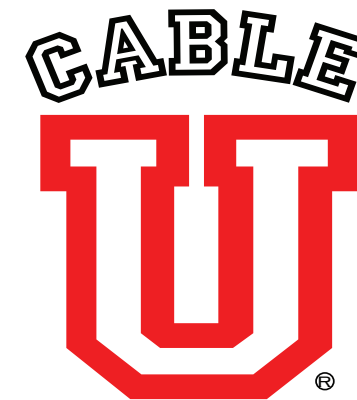

THE MAGIC OF HARRY POTTER (1 x 60) 2000

Harry Potter and his friends Ron, Hermione, and everyone else at the Hogwarts School of Witchcraft and Wizardry are as magical to you as they are to millions of other fans who adore the books in this wonderful series. Now, discover the incredible story behind the author of the most talked about books in decades...J.K. Rowling.

SCIENCE OF MAGIC (2 x 60) 2000

Peer into the world of magicians and explore first hand how science is their greatest tool. Viewers receive a lesson in high-tech wizardry as well as ancient sorcery to see how a scientific principle becomes a grand illusion.

SECRET SHIP TO DESTINATION EARTH (1 x 60) 2001

Everyone has heard stories of encounters with aliens, and unless you've witnessed it yourself, they are easy to pawn off as crazy... But what happens when the police corroborate eyewitness accounts, and when reputable officials speak of being caught in the presence of these visitors from other worlds?

STORIES FROM THE HEART (3 x 60) 2001

This touching min-series features true-life medical stories of people whose lives have been dramatically changed because of the powerful human organ, the heart. Visit world-class medical centers and heart institutes to re-live these stories of emotional and physical triumph.

LIONSGATE™

ABOUT LIONSGATE

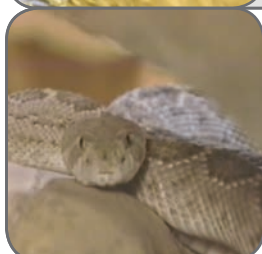

Lionsgate is a leading global entertainment company with a strong and diversified presence across the world of media. The company has built a strong television presence in production of prime time cable series including WEEDS and MAD MEN.

WILDLIFE & NATURE

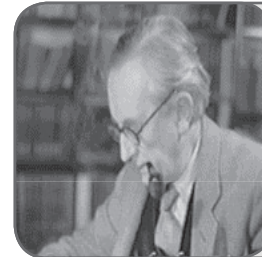

DEADLY BUGS II (1 x 60) 2001

They define the phrase "Survival of the Fittest." They have survived the dinosaurs. They can be brutally aggressive, and they can attack quietly without warning. They transmit deadly diseases, and they outnumber humans on earth by 500,000 to 1!

DEADLY REPTILES II (1 x 60) 2001

Reptiles are some of the most feared creatures on this earth. Get introduced to some of these deadly creatures and meet some of the brave people who have survived near fatal encounters, as well as the reptile experts.

MASTER OF THE RINGS (1 x 60) 2001

He never set out to become a pop icon, but almost 30 years after his death, J.R.R. Tolkien has ascended to heights previously reserved for pop stars. His vivid descriptions of the enchanted land of Middle Earth have evolved into more than just a fairy tale. Discover why this extraordinary world of fantasy and heroism has captured the imagination of millions of people.

OUTRAGEOUS VACATION VIDEOS (52 x 30) 1999

On vacations around the world, travelers capture compelling, shocking, incredible and funny moments on their video cameras. These once-in-a-lifetime moments make a wonderful series, and can also be used as part of a locally produced "funniest video" show!

WHAT WERE YOU THINKING? (13 x 60) 2002 - 2003

We've all made stupid mistakes – locked our keys in the car, or sent an e-mail trashing the boss and accidentally copied the boss – and most of the time we get away with it. This series reveals what happens when these mishaps are captured on video!

WHEN CHEFS ATTACK (1 x 60) 2001

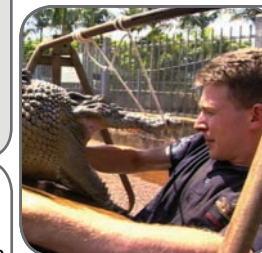

This mind-boggling, stomach-turning surveillance footage taped in restaurants all over the world confirms diners' worst nightmare: food tampering by miscreant chefs, waiters and kitchen help, and more!

WHEN GOOD TIMES GO BAD III (1 x 60) 1999

Experience the terrifying stories of celebrations and momentous life events gone inexplicably wrong. Viewers will be on the edge of their seats as people just like them retell the events that caught them totally by surprise!

FACTUAL/DOCUMENTARIES

ANIMAL PLANET'S KILLER JOBS (1 x 60) 2003

They are wild, dangerous, and unpredictable. And given the wrong situation, they can be deadly. Working with wild animals can be a life or death situation. Meet the brave and well-trained people who work with these creatures. People whose profession could cost them their lives.

CASINO (1 x 60) 1998

An inside look at the business of running a Las Vegas casino. View the secret rooms where the money is counted and extensive surveillance that catch cheaters. We also explore the world of the high roller with a look at the private gaming areas, exclusive dining rooms and the 7,000 square foot luxury suites.

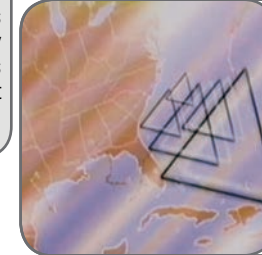

CHEATING DEATH (10 x 30) 2004

Meet some extraordinary survivors and uncover their secrets for cheating death. Survival scenarios are recreated using graphics and human surrogates built around real skeletons. Our tech team and medical expert give feedback and the survivors tell their harrowing tale while reliving the life-and-death moment.

DEMOLITION DERBY (1 x 60) 2000

Demolition derby is the only organized automobile event whose object is to wreck other cars on the track. Learn where the sport began and meet the people who dedicate their free time to building and then wrecking competition vehicles.

INSIDE THE BERMUDA TRIANGLE (1 x 60) 2002

Explore the mystery of the Bermuda Triangle. Personal accounts, detailed history, scientific explanations and myth examination bring viewers further into the Triangle than ever. Hear from the few who've survived and learn about the lives and last moments of those who passed into what many believe to be another dimension.

INSIDE THE BLACK BOX (1 x 60) 2000

The most critical information from a plane crash - the pilot's final words and data of the plane's last moments - are found in voice recordings inside an aircraft's black box. These dramatic conversations uncover the mysteries behind catastrophic failures, and reveal heroism of pilots who will do anything to save their passengers.

JOURNAL OF THE UNKNOWN
(3 x 60) 2001

Delve into the mysterious worlds of Astrology, Superstition and Psychics in three dynamic hours guaranteed to astonish and entertain!

MORE THAN HUMAN
(14 x 60) 2003

Explore the limits that the human body can withstand and the processes that make it possible for one to survive extremes. How much pain can one person withstand? How much voltage can the human body take unharmed? Meet the people who test their own limits in this jaw-dropping series.

LIFE AFTER DEATH
(1 x 60) 1997

What happens to us in that time between Life and Death? A historical look back at famous men and women who have shared these life-changing experiences give our topic a personal perspective. Expert scientific testimony, both pro and con, is used to support AND debunk the

PUT TO THE TEST
(3 x 60) 2002

Myth is pitted against science to reveal truths about the human psyche. "Thrill Rides" explores the human limits of fun with extreme tests of endurance. "Making UFO's" shows how UFO phenomena have gained worldwide notoriety by playing on human fear of the unknown.

PYROTECHNIQUES
(1 x 60) 2000

Meet the people who dedicate their lives to spectacular explosives, including a family who has been producing huge firework displays for nearly 140 years and attendees at the extreme Nevada art festival Burning Man, culminating in a 50-foot effigy of a man that spews fireworks out of his head while his body burns.

TOO EXTREME
(4 x 60) 1998

A thrill ride of stories from real people coming close to sudden death in extreme situations – both occupational and recreational. This series weaves together amazing documentary and news footage, in-depth interviews, state of the art dramatizations and more to paint a true picture of real-life danger.

HISTORY

THE FINAL BATTLE
(1 x 60) 1999

This special documents the battle that was never fought – the Allied Invasion of Japan by the US. The invasion is brought to life in a way that viewers can relate to, with vintage footage and interviews with WWII veterans. The issue of whether or not the US should have dropped the

INVENTIONS WE LOVE TO HATE
(1 x 60) 2000

An entertaining romp through the overlooked side of creativity. Some things were invented to benefit mankind, but others, it seems, were created simply to annoy us. Meet the people responsible for these inventions, and discover if there is any hope in sight of ridding the world of these irritating offspring of genius gone wrong!

JACKPOT! The Real Story of the Slot Machine
(1 x 60) 2002

The slot machine is the only uniquely American casino game. The story of the "one armed bandit" over the past hundred years is told, and we look at how these devices have evolved from penny-ante novelties to megabuck moneymakers.

MORE FAVORITE TOYS
(1 x 60) 2000

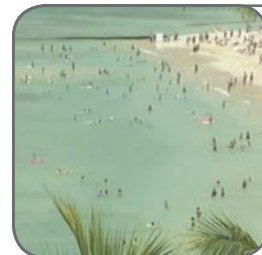

This fun and informative special revisits the objects of our childhood obsessions and introduces the people who created these iconic toys. From the Lionel train set, the hula-hoop and Monopoly, to Colorforms, Lite-Brite, and so much more. Every toy has its own story, and MORE FAVORITE TOYS shares these special stories with the world.

NOSTRADAMUS: A Skeptical Inquiry
(1 x 60) 2002

This special examines Nostradamus in a new light, using expert interviews, dramatic footage and painstakingly researched recreations to settle many of the open questions that have dogged scholars for over 400 years. This mysterious "seer" wrote short poems which are credited with prophesying the bleakest aspects of history.

LIFESTYLE/TRAVEL & ADVENTURE

BEACH CRAZY
(1 x 60) 1996

Explore the many facets of life at the shore, from beach phobia to beach bunnies. Authors and historians guide us through the earliest history of salt water bathing and how it eventually became a year round lifestyle. From the early days of the first resorts to the perfect beaches of Australia, we cover...or uncover...it all.

EXTREME RIDES 2000
(1 x 60) 2000

Hop aboard the world's greatest thrill rides in this exhibition of the most innovative and groundbreaking amusement park rides. Catch a glimpse at future rides throughout the world, including the STEEL DRAGON 2000 in Japan which aims to be the biggest and fastest roller coaster in the world!

LOVE U

(6 x 60) 2003
Two young couples on the cusp of marital engagement are put through nuptial boot camp, to see if they have what it takes to make the long walk together down the aisle and live happily ever after.

NIAGARA FALLS
(1 x 60) 1999

On a normal day at Niagara Falls, the iconic Canadian destination spot, 100 couples get married; 186 billion gallons of water travel over the three falls, creating more energy than any other source in North America; and tens of thousands of cameras are put to use! Discover what draws thousands of tourists everyday to Niagara Falls.

NO BOUNDARIES
(13 x 60) 2001

This reality based strategic adventure, where the contestants' leadership, navigational and teamwork skills are put to the test, traverses a thousand miles of brutal, unforgiving wilderness. Over 30 days, 15 individuals must make their way across ever-changing terrain by horseback, helicopter, seaplane, cargo ship, and even snowshoe

SPEED DEMONS
(3 x 60) 1999

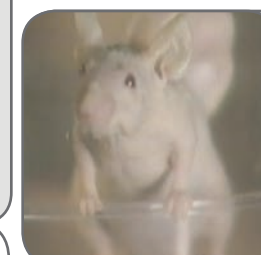

Explore the quest for one type of speed through the eyes of the fearless men and women making speed history. Authentic archival footage and stylized recreations create a "you are there" sense of drama, while interviews with experts will give the inside scoop on how technological advances help fuel the need for speed.

TOURIST TRAPS
(6 x 30) 2001

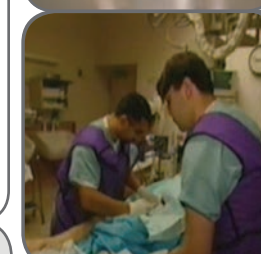

This "Candid Camera" style travelogue is the first hidden camera comedy show shot entirely at world-famous tourist destinations where innocent tourists are the stars. TOURIST TRAPS visits several famous and exotic places around the world, and introduces viewers to each city and sights along the way.

MEDICINE, SCIENCE & TECHNOLOGY

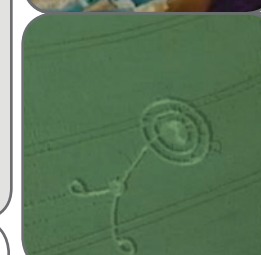

AMAZING SCIENCE
(2 x 60) 2006

These two specials shed light on how former wonders of science have made their way into everyday life. The first hour, "Medical Marvels" profiles cutting-edge developments in medicine. The second hour, "Weird Nature" presents some of the most remarkable scientific investigations into the mysteries of nature.

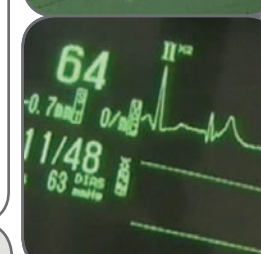

BURN CENTER
(1 x 60) 2001

The latest medical technological advances are profiled alongside the personal stories of burn victims who are undergoing treatment at one of the world's premier Burn Units, the University of California at San Diego Regional Burn Center.

CROP CIRCLES
(1 x 60) 2001

For the last 300 years unusual shapes have appeared in growing farm crops around the globe and range from only few meters to half a mile in size. Examine this unusual phenomenon that has drawn hundreds of researchers and thousands of spectators to decipher the meaning and attempt to understand their makers.

MEDICAL MIRACLES
(3 x 60) 1986 - 2006

Modern-day medical miracles are achieved through a combination of human courage, determination and technological innovation. MEDICAL MIRACLES depicts the lives of people challenged with medical crises who have, against the odds, each triumphed in their own way.

ROBOTS AMONG US
(1 x 60) 2002

For over 50 years, artificial intelligence has dominated the world of science fiction. At one time, the idea of these thinking machines doing our housework and fighting our wars seemed nothing more than fiction. Now, we are seeing that vision becoming a reality.
