BURRUD WILDLIFE COLLECTION

THE AMAZING APES (1 x 60) – 1978

Learn the unique story of our closest relatives. Journey to the forest and jungles in search of these intriguing creatures.

BIG CATS (1 x 60) – 1992

From the lion prides in South Africa to world famous animal trainers Siegfried and Roy, BIG CATS examines man's fascination with ferocious felines.

Clyde Beattie, the world's first famous lion tamer, laid the foundation for modern acts such as Gunther Gebel-Williams. Animals featured include the San Diego Wild Animal Park's cheetahs, the jaguar, the Bengal tiger and leopards of the Serengeti.

THE CARNIVORES (1 x 90) – 1981

A giant grizzly... a man-eating tiger... a wild wolf's devastating fight for his life. Find yourself in a face-to-face encounter with the animal kingdom's most feared flesh eaters, and plumb the depths of the legends and secrets of these ferocious killers.

CREATURES OF THE AMAZON (1 x 90) – 1979

Through the magic of filmmaking, be transported back to the time of the Conquistadores. Explore this vast realm inhabited by mysterious creatures.

DANGEROUS CREATURES (1 x 90) – 1982

From the Pacific to the Arctic icefields, adventurer John Burrud seeks out the world's deadliest creatures in an attempt to uncover unknown secrets.

THE LAST ARK (2 x 60) – 1983

Is our wildlife doomed? What are the chances for survival? Can man help? Join internationally renowned zoologist Joan Embry of the San Diego Zoo on a journey around the world to examine the various species whose numbers will be greatly reduced by the end of the 20th century.

MYSTERIOUS MINIATURE WORLD (1 x 90) – 1983

Inhabiting the earth and its seas are millions of microscopic creatures, many deadly, never noticed by man. This quest into the unknown world of the small offers some never before seen footage with some marvelous, and some terrifying findings.

NATURAL WONDERS (13 x 60) – 1996

NATURAL WONDERS features different locations and explores the raw beauty that is the wonder of nature's artistry. Delve into the rich tapestry that makes up the unique history of each wild place, meet the people responsible for managing thousands of acres of wilderness, and witness the changes that must come in order to protect and preserve these natural wonders.

NEW! ANIMAL WORLD (105 x 30) – 1984

NEW! ANIMAL WORLD spans the globe to bring you a host of magnificent, exotic and unusual creatures. Each episode closes with an informative and challenging animal quiz.

PREDATORS OF THE SEA (1 x 90) – 1977

Brilliant, often daring underwater camera work brings us a fascinating panorama of the creatures of the deep. The "stars" of the show are virtually hundreds of the species, predator and prey alike, which inhabit the oceans of the world.

SEALS, WHALES & DOLPHIN TALES (1 x 60) – 1991

TV celebrity host Loni Anderson takes viewers around the world to explore these creatures' habitats as well as the dangers confronting our Earth's diverse group of sea mammals including dolphins, manatees and sea otters. This one-of-a-kind show provides a voice for these magnificent sea mammals who are unable to speak for themselves.

THE SECRET WORLD OF REPTILES (1 x 90) – 1978

From the Amazon to India, from the American desert to East Africa and around the world, this dramatic, thrilling program brings you the fascinating story of the reptile kingdom.

SHARK CHASERS (4 x 60) – 2002

Follow extreme scuba divers JD Roberto and Ascanio Pignatelli on their mission to come face to face with the sea's deadliest creatures. Fasten your weight belt and get ready to submerge with two adrenaline junkies who get intimate with ferocious sharks in exotic locations including French Polynesia, Costa Rica, South Africa and the Bahamas.

VANISHING AFRICA (1 x 90) – 1977

Witness the struggle for survival of Africa's magnificent wildlife. Viewers will see Africa as it was, untamed, beautiful, wild... and how this once unspoiled abundance of life is now seriously threatened.

ABOUT THE PRODUCER

For over 50 years, Burrud Productions has been producing series and specials for television and home video distribution around the world. Based in Beverly Hills, California, an in-house staff of producers and cameramen travel the world to capture footage from every corner of the globe and are highly specialized in reality, wildlife, children's and comedy programs. Burrud Productions has over 93 hours of programming currently airing on the Discovery Channel, TLC, WE and many other leading US cable networks.

SHARK! THE SILENT SAVAGE (1 x 60) – 1993

Join our team of experts as they travel around the world to investigate this mysterious predator's lifestyle and search for answers to man's questions about sharks. A world of excitement awaits as our underwater photographers place viewers in the path of a feeding 7,000-pound shark. Witness valiant attempts to save a disappearing species of rare shark and follow scuba divers deep into the ocean to experience the newest diving phenomenon called "shark diving." Find out what it's really like to experience the ultimate terror as actual shark attack victims share their incredible stories.

SHARKS OF A DIFFERENT COLOR (1 x 60) – 1985

One of the most feared animals of land and sea, the shark is often referred to as the "terror of the deep." In this program viewers will witness a different side of these terrifying creatures. Many will be surprised to learn that a majority of the species are the most vital creatures in the sea, responsible for the care and well-being of our world's oceans.

WILDLIFE ADVENTURE (78 x 30) – 1985

Take a unique look at the relationship between man and animal. From discovering the special love we have for our pets to examining the effects of pesticides in a freshwater bird sanctuary in Kenya, this is an adventure like no other... a WILDLIFE ADVENTURE.
