INSIDE INDONESIA

STRUGGLE FOR THE SOUL OF ISLAM

Unlike Iraq, Iran, and other nations in the Middle East and South Asia, the possibility of Indonesia becoming a fundamentalist Islamic state is remote. The challenge facing Indonesia is strikingly similar to that of the U.S. and other Western nations: How to root out pockets of violent militants, while maintaining the principles and practices of a democracy.

By tackling the difficult questions surrounding the complex relationship between politics, ideology, and basic human rights, **INSIDE INDONESIA: Struggle for the Soul of Islam** delivers a deeper understanding of terrorism to audiences around the world.
