1 x 60

Take a behind-the-scenes look into the strange and lurid world of stay-at-home sex. With a simple phone call or a quick mouse click while sitting alone at home, anyone can talk nasty and satisfy his most secret sexual fantasies... and it's just \$2.99 a minute.

WHO, really, are these women (and girls) who answer these sorts of phone calls and/or Internet messages? First, they are NOT the women in the photographs that they sometimes send to those frequent customers who demand to know who they're talking to – and what the girl looks like. Sure, it's a fraud. Sure, they're deceiving all those horn-dog callers; but, well – so what? Who does it hurt, they tell us. Besides, they add, "they'll never meet us; they'll never, ever see who we really are."

Here are a very diverse group of women who all have one thing in common – they are all PHONE SEX OPERATORS:

- **VIRGIE** the High School Teacher
- **MISTRESS KYRA** the Married Mother of Three
- **JULIE** the Artist and Single Mother
- **CELINA** the Nursing Assistant
- **KIM** the Therapist
