

Picture THIS

20 x 60

Follow contestants as they attempt
to recreate the look their loved ones desire...
from photo to finish!

20 x 60 Produced in 2004-2006

Where the dream meets the design. Not everyone has access to a hot designer, but we all read through magazines and rip out the pages we want incorporated into our lives. How do we make these "tear sheets" into our own reality?

In PICTURE THIS, contestants attempt to re-create a desired look for one another... but there's one complicating twist: no words. The task can only be communicated through magazine clippings, drawings, and pictures. Contestants must use their own wits and resources to complete the project, but they're encouraged to bring in family and friends to help. Each participant is also allowed to call in the help of one expert - a carpenter, landscaper, gourmet chef, whichever professional is needed to move forward on the project. The contestants can be a husband and wife, a mother and daughter, roommates... any combination of family or friends looking to take a visual idea and make it real.
