[www.cableready.net](http://www.cableready.net)

America's longest running medical magazine program.

Produced in association with world-renowned  
University of California - Davis Medical Center.

Helping viewers understand the complexity of  
medical and health issues.

Informative warnings, research, technology, procedures,  
risks, trends, advances, prevention and cures...  
all designed to make your network the first choice  
for medical information.

Interactive health tips and quizzes in each episode.

Hosted by Beth Ruyak.

**A hit for Knowledge TV  
and Discovery Health Channel**

**26 Episodes  
Available immediately**
