VEGAS DEALERS - 3 X 60 - 2001-2003

VEGAS DEALERS - without them, there would be no winners, no losers, and no bets allowed; no games could be played, and no casino could exist. While they are the casino's most vital link to the gambler, few gamblers, tourists or curious travelers have any idea who they really are or what they really do! They operate the tables, they enforce the rules, and they decide who wins, who loses, and who gets to keep playing. They are the money-keepers, the money-givers, and the money-takers; their word is law. Follow real-life VEGAS DEALERS for the only true inside look at the casino gaming world. **Premiered on Travel Channel, USA.**

VEGAS URBAN LEGENDS - 1 X 60 - 2005

These are the legendary stories of gamblers in Las Vegas - the strange sagas and funny tales of Vegas gamblers. A pregnant player almost gives birth at blackjack table, a rude gambler accidentally catches himself on fire, criminals rob a potato chip delivery van looking for casino chips, and more! **Premiered on Travel Channel, USA.**

WHALES OF LAS VEGAS - 1 X 60 - 2003

A chauffeured limo takes you to the airport where you are whisked away to Las Vegas on a private jet. There you are greeted by your private butler who shows you the 5-bedroom Super Suite in your favorite casino. Your surroundings are replete with antiques, marbles, silks, and priceless works of art. Welcome to the exclusive domain of the ultra-high rollers, known to those in the gaming industry as "whales." Among other things, this special reveals how casinos will not rent out their "Super Suites" at any price — they're strictly invitation-only. With only about 5000 mega-gamblers worldwide big enough to rate "whale" status, it's a pretty small guest list. But for these privileged few, the sky's the limit! **Premiered on Travel Channel, USA.**

VEGAS WHALES TALES - 1 X 60 - 2005

They are the Vegas Whales — and they have a special folklore all their own. More than mere fish stories, their accounts represent the weird desires, excessive demands and quirky twists of fate that only come with enormous wealth and the willingness to stake it all on a roll of the dice or a turn of the cards. Using dramatic reenactments and lively location footage set in and around the glittering casinos of Las Vegas, we'll spin tall tales of the famous and the infamous — the kind of strange sagas that could only happen in the extravagant universe of the Vegas gaming elite. **Premiered on Travel Channel, USA.**
