Produced in 2002-2003

We've all done some monumentally stupid thing - locked our keys in the car, spilled ketchup on a borrowed tuxedo or evening gown, or even made an illegal U-turn directly in front of a cop. Most of the time we get away with it... but for the people featured in this series, the cameras were rolling!

WHAT WERE YOU THINKING? reveals what happens when these mishaps are captured on video. Not only do we show the stupid things we do, but we also get to ask the person, "WHAT WERE YOU THINKING?".

EPISODES INCLUDE:

Man vs. Machine

Watch what happens when humans and machines can't seem to get along.

Man vs. Nature

Mother Nature has a way of screwing things up sometimes - it might be bad weather, or it might just be gravity!

Man vs. Police

Cops have a hard job: catching crooks. But their job is a whole lot easier when the crime is captured on tape.

Man vs. Employer

Now and then, everyone has the occasional bad day at the office. Meet some people whose bad days make ours seem like picnics!

Man vs. Animal

For the most part, animals are only dangerous when humans invade their territory, or when humans decide it's a good idea to taunt and harass wild animals!
