WINE PORTFOLIO is a celebration of luxury travel, unique experiences and touching cultural expressions. The series showcases both wine producing regions and places of world class food and wine consumption... exclusive restaurants, wonderful wine lists, luxury hotels and first class travel opportunities.

EPISODES INCLUDE:

Italy: Amore Italia

Italians love food and wine and Host Jody Ness loves all things Italian. So in this episode Jody travels to the North of the country to learn from Italian Master Winemakers, meet one of the country's most celebrated Chefs and experience the beauty and culture of Venice.

South Africa 2: The Future of Wine

South African wines are famous for their blending of old world styles in a new world environment, and this innovative spirit continues all across the country. Host Jody Ness explores this pioneering spirit on horseback as treks to the newest areas of wine development on the continent. Along the way he samples indigenous cuisine and African hospitality as he journeys to the heart of African culture.

China: The New "New World"

With nearly 1.5 billion consumers, China is emerging as a great destination for food and wine. The country is already the world's 7th largest producer and the globe's fastest growing consumer, so Host Jody Ness travels to the middle kingdom to get an inside look at the burgeoning food and wine scenes of Beijing, Shanghai and the smaller, more remote regions. It is a chance to see the next great wine destination from the very beginning.
